RE: Your Letter of September 14, 1989

Dear Mr. Canzius:

Enclosed is a copy of our letter of April 14, 1989, as well as a copy of our response to your "Request for Information". You will note that we did respond within the designated time frame. As stated in the 4/14/89 letter, Seaboard Foods, Ise America and Ise Farms are affiliated companies. Seaboard and Ise America do not have any operations in Warren County, thus, responses as noted are by Ise Farms.

Should you require anything further, please contact me.

Sincerely,

Brent Fortenberry
Senior Vice President
